# NL NIS

## implementation

### Approach and issues

5 October 2017

# NL NIS implementation approach

- National CSIRT: Minister of S&J/NCSC-NL
- Single point of contact: Minister of S&J/NCSC
- Competent authorities: differs per sector
- Thresholds
  - Determined by sectors
  - NCSC facilitated the sessions
  - Confidential
- Wgmc (Dutch act on Data processing and Cybersecurity notification (October 1st 2017))
  - Formal task of NCSC-NL
  - Confidentiality (press; regulators; FoIA)
  - Mandatory incident reporting
- Implementation of NIS: Cybersecurity law
  - Currently working on new version after consultation
  - Arranges NIS implementation, parts of Wgmc are incorporated

The screenshot shows the website heid.nl, specifically the 'Internetconsultatie' page for the 'Cybersecuritywet'. The page is in Dutch and provides information about a consultation on the proposed Cybersecurity Act. It includes a search bar, navigation tabs, and a table of consultation details.

**Publicatie reacties**  
Reacties worden gepubliceerd tijdens de loop van de consultatie. Alleen die reacties worden gepubliceerd waarvan is aangegeven, door de inzender, dat deze openbaar mogen zijn.

**Doel van de regulering**  
Implementatie van EU-richtlijn 2016/1148, die met name de volgende

# NL NIS implementation approach

- Regulation
  - Separation CSIRT (help) /supervisor (enforcement)
  - Confidentiality article
- Sectors
  - Determined by ministries within the government
  - Sub-set of critical services relevant for NIS
- Constituents
  - Communication
  - Limited capacity (or: full agenda's)
- Internal organisation
  - Processes, infrastructure

# NL NIS implementation difficulties

- Vital vs. Essential
- DSPs
  - Not appointed, Cf. trust services (eIDAS regulation)
  - Separate CSIRT for DSPs
- Fine
  - Fines differ a lot in existing regulation
  - Arranges rest of NIS implementation
- Sectors/Operators of essential services
  - Determined by ministries
  - Sub-set of critical services relevant for NIS
- Thresholds
  - Determined by sectors
  - NCSC facilitated the sessions
  - Confidential
- Wgmc in effect on October 1st 2017
  - Formal task of NCSC-NL
- Trusted CSIRTs
  - Appointed by Minister of Security and Justice
  - Start with limited set, perform legal test for each additional (National) CSIRT
- Competent authorities (not specified for every sector yet)
